

esm SOURCE

Put Suppliers in the Path to Buy

With all of your suppliers in one place, you can help stakeholders across your institution make smarter sourcing decisions. Launch and manage sourcing events, improve supplier participation and engagement, and help everyone work more collaboratively to support your mission and vision.

Build a sustainable and diverse sourcing strategy

Publish and manage your sourcing pipeline in a single platform, no matter the complexity.

- Increase supplier visibility
- Launch and manage collaborative sourcing experiences
- Drive smarter sourcing strategies

One place for your suppliers

ESM Source is built for convenience and collaboration, enabling institutions to launch and manage sourcing events that align with institutional goals.

- Publish and manage sourcing pipelines, from simple to complex
- Deliver collaborative sourcing experiences
- Increase procurement efficiency and improve sourcing outcomes
- Strengthen internal cooperation with Finance.

Gain visibility and discover opportunities

ESM Source enables suppliers to gain greater visibility into your sourcing events and discover new opportunities to promote their products and services.

- Create supplier profiles
- Update product features and benefits
- Respond to RFx events

Sustainable sourcing

ESM Source uses a single view of suppliers and the supply chain, enabling institutions to drive efficiency and achieve better sourcing outcomes.

- Manage procurement costs
- Drive supplier innovation
- Mitigate institutional risk

YOUR INTEGRATION PARTNER

As the first company to deliver procurement solutions built specifically for the education sector, ESM has enabled hundreds of institutions to personalize buying pathways, curate trusted suppliers that uphold institutional integrity, and transform the ways in which they connect people with the resources they need to advance education. With a commitment to education since day one, ESM solutions enable institutions to engage with trusted suppliers that are both brand-safe and brand-secure, giving their communities a sense of confidence that they are doing their part in fostering sustainable procurement.
